

## **Bureau of Water and Wastewater Division Chief III – Utility Maintenance Division**

### **Job Summary**

A great career opportunity awaits you at the Baltimore City Department of Public Works (Maryland). We are currently seeking qualified candidates for the position of Division Chief III to lead the Utilities Maintenance Division of the Bureau of Water and Wastewater.

The Chief of Utility Maintenance will direct the management, operation and maintenance of the municipal water distribution, wastewater collection and storm water drainage systems. The qualified candidate will be responsible for the day-to-day operation of a Division with over 600 employees. The Division Chief will plan, coordinate and direct utility repair work involving heavy construction, maintenance of traffic, customer service outages, and emergency response 24-hours a day/seven days a week. The Chief will also oversee the fiscal management of the Division, develop capital and operating budgets, authorize all major expenditures and direct the requisitioning of equipment materials and supplies.

### **Preferred Qualifications**

A bachelor's degree in engineering or other related field and 10 to 15 years of experience in the construction, maintenance or repair of underground water utilities, including 5 to 8 years of supervisory experience in an organization with 50 employees or more. A valid Maryland Class C noncommercial driver's license or equivalent out-of-state driver's license is required.

### **Compensation**

Baltimore City Department of Public Works offers a competitive benefits package. Salary commensurate with education and experience.

### **How to Apply**

The Bureau of Water and Wastewater will be accepting applications beginning April 5, 2010 and will remain open until filled. Qualified candidates should submit a statement of interest and resume specifically addressing their experience and/or education relevant to this position to:
